MAKING YOUR DESIGNS A REALITY

With Endure Walls™ Tedlar® Wallcovering's custom design option, you can bring your ideas to life while maintaining budget and getting the durability you demand. The options are endless – any design or color. Show us your creativity!

## THE STEPS ARE SIMPLE

- **GET INSPIRED** Supply photos, patterns, anything that we need to create a unique pattern
- **WHEN MAKING A SUBMISSION** Share your ideas and project details with us, and that will allow us to provide you with the design of your dreams
- **QUANTITY AND TIMELINE** Provide us with an estimated quantity and timeline when wallcovering is needed
- **CREATION** With your inspiration and needs in mind, a professional will begin the process of transferring them into a finished wallcovering reality
- **SAMPLE** You will have a prototype sample in hand within 10-15 business days to review
- **MANUFACTURING** Manufactured in 4-6 weeks of approval (may vary by design)
